Be patient therefore, brethren, unto the coming of the Lord. Behold, the husbandman waiteth for the precious fruit of the earth and hath long patience for it until he receives the early and latter rain. James 5:7

UNIQUE COMPETITIVE ADVANTAGE

The Salon/Spa industry is a cash business, recession resistant, and a core industry. With a small group of “Brand Name” salons operating, our business offers a great future.

Salon/Spas are the fastest growing segments of the Beauty Industry. Research shows us that 80% of consumers prefer salons with either “walk-in” or “appointment” options.

Latter Rain Salon/Spa has created an environment that our guests want to return to. With our competitive prices we don’t have to coupon our guests.

Latter Rain Salon/Spa has “Give back to the Community” that enable us to be involved with our communities.

Latter Rain Salon/Spa’s provide “service providers” a relaxing, fun enjoyable, atmosphere in which they can truly call “HOME”!
